

# Friends of THE RYE ART GALLERY

## **New Friends scheme - Extra Information for those who have previously supported the Gallery in years past**

**If you have previously been involved supporting the Gallery,** you may also find the extra information below of help.

- The term 'Friends' as used in the brochure and on this web-page is shorthand for the term 'Subscribers' as used in the trust documents governing the Rye Art Gallery. They are one and the same now.
- The former 'Friends of Rye Art Gallery' was a separate independent charity which closed with due process in April 2017 and this new Friends scheme is unconnected.
- 'Life Members' of the old, independent Friends scheme will qualify for 15 years of free membership of the new Friends scheme. If this applies to you, please complete the **APPLICATION FORM** only. Please just mark 'Life Member' at the top of the form.
